

# Impress Your Holiday Guests With The Cleanest Carpet In Pensacola

John Braun

Your carpet and rugs will look beautiful for the holidays. We start by sending the most friendly, experienced, and thorough cleaning technicians. You will feel secure with our employees in your home.

## You get all this:

- ◆ High performance vacuum to remove dry soils.
- ◆ FREE specialty spot cleaning to remove grease, dirt, soda, gum, wax, pet urine, ink, food, etc. (most cleaners charge extra)
- ◆ Truck mounted steam cleaning with our special “Drimaster” system that gently agitates carpet fibers for deep cleaning.
- ◆ Turbo drying to dry one room of your choice by the time we leave your home.

You'll love the service we give. We'll clean the first area and if you're not convinced we clean better than all others, we'll leave and you owe nothing. Plus, if any spots return within 30 days, we'll come back AT NO CHARGE.
