

Top 20 Social Bookmarking sites

How do you bookmark?

Bookmark each page of your website. But don't do it more than once. Start with two or three bookmarking sites and bookmark all the pages of your site by mentioning the webpages along with your keywords (ie. Carpet Cleaning Pensacola www.CarpetCareTips.com). Then a week later, do another few more sites. NEVER submit bookmarks to more than twelve of these sites in one month. Too many bookmarks makes Google suspicious.
